JAUSA CERAMIC CITY

Jausa Ceramic City is the face of the Jausa trading Maldives Pvt. Ltd. well reputed name in Maldives having been in the business of Tiles & Sanitary ware for the past 20 years in succession. We are committed to dealiver the best of the Quality tiles & Sanitation products, driving through with determination to enroot in to the entire country side which is in constant development & upgrading process.

We strives to cater the fast developing sectors such as Hotels & Resorts market, Commercial & Residential developments with full range of Quality products with leading brands to avail the market of different requirements of the segments.

In order to meet the demand JCC is operating with two showrooms one of them is solitary state of the art showroom, one of its kinds, business premises that provide wide array of products & services of leading brands for all walks of lives of Maldivians with dedicated & skilled set staff, with three larger in size ware houses bearing the storage facilities to cater container handling of over 80 containers at any given time.

Marketing & Sustainability of the business is well crafted with the dealer networking, corporate clientele & retail sector which are the strength we believe where the distribution channeling takes us all over. The JCC name is being market through the dealers all over & world's best brands of Tiles & sanitary ware are also being reached to the star class Hotels & Resorts to the remotest islands through dealers.

Our imports have grown up significantly over the years from China, India, Hong Kong, Vietnam, Srilanka, Thailand, U.A.E & Malaysia.

We are directly dealing with 90% of the total Hotels & Resorts market in Maldives & over 95% of the building & constructions as well industry as well.

Jausa trading plays a major role in the country's macro & micro economy by providing direct & indirect employment opportunities too, over 1000 contributes for country's revenue actively.

We have introduced many "firsts" into the market in the past & striving to maintain the standards & quality of products & services that we offer in bearing the responsibilities of corporate governance & following best practices of the industry to avoid adverse impact on environment.

JCC has implemented CSR projects in the remote Island schools in order to uplift their living standards & sanitation as a responsible business entity in Maldives.
